

Times for Current Season

If you need to get a report of all of your swimmer's events and times for the current season you can do so by looking at the USA SWIMS database. This database is usually updated a week to 10 days following a meet.

Just follow the link below:

[USA Swimming - Times Search](#)

Then follow these simple steps:

- Fill in your swimmer's name
- Choose the Date Range so that it covers the entire season (For example, for the 2009-2010 season choose 9/1/2009 to 4/1/2010)
- Choose "All Events"
- Choose "All times"
- Click on "Search" button

Lifetime Best Times

If at any time you would like to see your swimmer's current best times for their events you can do so by looking at the USA SWIMS database. This database is usually updated a week to 10 days following a meet.

Just follow the link below:

[USA Swimming - Times Search](#)

Then follow these simple steps:

- Fill in your swimmer's name
- Choose a Date Range that will cover the time from when they first began swimming up to the current date
- Choose "All Events"
- Choose "All times" if you would like to see every time for every event from every meet OR Choose "Fastest time" if you would like to see only their current best time for each event.
